EMBOSSED ALUMINUM POLE TAGS

- Wide variety of standard sizes
- One, two, or three lines of characters
- Horizontal or vertical orientation

*Please contact us for additional information and pricing.

SLIDE-IN TAG SYSTEM

Apply to any surface with metal strapping, lacing wire, double-stick adhesive or nails…this system meets the challenge of marking new types of outside plant. Tags and holders are made of durable aluminum, not unproven plastic. Our proprietary paint formula incorporates today's best ultraviolet inhibitors. Available in one inch or three inch characters. Three inch tags have four nail holes per plaque, making holders optional.

Custom features:
- Horizontal or vertical orientation
- Holders can accommodate 3 to 12 characters
- Holders manufactured to allow any method of attachment
- Black characters on yellow or orange background
- Tags showing special symbols, logos, or ownership initials are no problem.

Standard Package: 100 per box or ziplock bag

*Please contact us for additional information and pricing.

CONSECUTIVELY NUMBERED TAGS

Premax can readily manufacture a wide variety of tags displaying consecutive numbers, either alone or combined with company logos, initials or other relevant text. Nail holes can be customized for your particular application. First time orders may incur an additional (one time) charge, depending on die requirements.

- Wide variety of type sizes and tag shapes available
- One, two, or three lines of characters
- Horizontal or vertical orientation
- Available in aluminum or brass

No.	Style	Character Height	Height of Tag
MM-N-34	1-line	3/4″	1″
